Pattison College is a small Independent School where opportunities for confidence building Dance, Music and Drama are included in the fees. Places are limited to a maximum of 16 pupils per class, enabling each pupil to be treated as an individual, progressing at their own rate.

As a school which specialises in the performing arts, we will offer places to children most able to take advantage of the specialist tuition we offer. Whilst PE and Sport feature in the Prep School timetable, this is not the case in the senior school where pupils who have been here since the Nursery may be very proficient dancers. An individual timetable is devised at the start of each academic year to cater for each Senior pupil's interest and ability in Dance, and lunchtime sport and running clubs or after school fitness, for those less interested in Dance.

Pattison College recognises that some pupils have special educational needs whether that is because they require specific support related to learning difficulties or whether they are gifted. Our small classes allow for individual attention and enable pupils of all abilities to progress. There is not the funding however within the fee structure to allow for 1 to 1 support, and children with severe special needs, may be better served elsewhere. Parents are invited to discuss their individual requirements with the Principal to ascertain the extent to which the school can meet the individual needs of their child. No child is refused entry on the grounds of race, ethnicity, gender, religion or sexual orientation.

Pre Admission Arrangements

Prospective parents come and visit the school either with or without their child. They will usually be shown round by Mrs E McConnell , the Principal or if she is not available by Mrs T Hanks, the School Secretary. This is an opportunity to meet the staff and children and see what goes on at Pattisons.

The visit will include the whole of the Prep School for children of Early Years age as pupils stay on to further their education. From Years 3 and 4 Mrs McConnell will show parents not only the Prep but also the Senior School.

In Early Years the child comes for a morning session with a parent who stays as long as he or she wishes. In all other parts of the school the prospective pupils come for a whole day or even 2 or 3 days in the case of a pupil moving into Year 9, to ensure we are the right setting for them at this critical stage in their education. In the case of Year 6 pupils, so that they are familiar with all of the school buildings, their visit usually involves Art in the Senior School and Drama in one of the studios, as well as lessons with the Prep School form teacher.

Following the visit, if it is felt that the child has settled well and would benefit from what we have to offer, parents will receive a letter offering a place. That place is secured on completion of an Enrolment Form, payment of £375, £300 of which is deducted from the first term's fees and completion of the Home – School Agreement.

For more details please see the *Prospectus*, and the *website*.

Prior to the child's attendance at the school the parents or guardians are provided with a Welcome Pack and must complete and sign the:

- *Enrolment Form*
- *Parent-School Contract*
- *Fair Processing/ Data Protection Notice*
- *Outing Consent Form*
- *Internet Agreement*

Special Educational Needs.

Where a child who has an Education, Health and Care (EHC) Plan joins Pattison College, we will always consult with parents and, where appropriate, the Local Authority to ensure that the required curriculum is provided for as set out in the Plan, including the full National Curriculum if this is specified. We will also co-operate with the Local Authority to ensure that relevant reviews, including the annual review, are carried out as required by regulation and best practice. The school will make reasonable adjustments to meet the needs of children with an EHC Plan. Any additional services that are needed to meet the requirements of the Plan or additional services such as dyslexic tuition will be subject to charge. This will be either directly to the parents or the Local Authority if they are responsible for the fees and Pattison College is named in the Education, Health and Care (EHC) Plan. Our school has a policy and procedures for children with *Special Educational Needs and Disabilities (SEND)*.

English as an Additional Language

Our school will make provision for children who have English as an additional language, (EAL) in the assessment procedure. We do not regard children as having a 'learning difficulty' solely because the 'language or medium of communication of the home is different from the language in which he or she is or will be taught' (Education Act 1996, Section 312(1), (2) and (3)). However, pupils for whom English is an additional language (EAL) will be provided with appropriate support. They will be assessed to gauge the support that may be needed in order to ensure equal access to the curriculum along with all other aspects of life at Pattison College. Our school has a policy and procedures for students requiring *English as an Additional Language (EAL)*.
